

## Sports Leaders UK Foreign Language Leader Award

The success of the Young Leader Award, Women, Get Set Go! and Day Certificate in Sports Leadership led to requests, from organisations running Sports Leaders UK courses, to develop awards that were relevant to other areas of the curriculum. Taking on board this customer feedback, Sports Leaders UK created the Foreign Language Leader Award, which teaches leadership skills and enables successful learners to lead small groups in simple foreign language based activities.

This award addresses generic leadership skills such as organisation and communication, as well as focusing on improving learner's knowledge and understanding of foreign languages. A foreign languages teacher, teaching assistant or anyone who has experience of working with young people in a teaching and learning environment can deliver this award.

The Foreign Language Leader Award takes approximately 30 hours to deliver, with a minimum of one hour demonstration of foreign language leadership. Learners must be aged 13 years and over and typically deliver activities to peers or young people at local primary schools.

Tutors are provided with a Tutor Resource Pack which gives clear guidelines for the delivery of the award and extensive resources such as language games and activities. Learners learn how to organise foreign language events or clubs, and gain communication skills such as working with other individuals and groups.
